COLLECTIONS, PAYMENT PLAN & FEE WAIVER POLICY

COLLIN CREEK REDEVELOPMENT RESIDENTIAL COMMUNITY, INC.

POLICY REGARDING THE COLLECTION AND PAYMENT
OF
ASSESSMENTS AND OTHER CHARGES AND FEES

WHEREAS, the Board of Directors (“*Board*”) of Collin Creek Redevelopment Residential Community, Inc., a Texas non-profit association (“*Association*”), is empowered to govern the affairs of the Association pursuant to Article 5 of the Covenants, Conditions and Restrictions (“*CC&R’s*”) for Collin Creek Redevelopment Residential Community, Inc., recorded under Instrument Number 2023000046102 of the Official Public Records of Collin County, Texas, and the Texas Business Organizations Code; and,

WHEREAS, the Board, on behalf of the Association, has determined that there is a need to adopt or amend a specific collection policy (“*Policy*”) on the collection and payment of assessments¹ and other charges and fees owed to the Association pursuant to the *CC&R’s*; and

WHEREAS, it is the intent that this Policy shall rescind, amend, and restate all prior policies adopted by the Association governing the collection of assessments, shall be applicable to all Members² of the Association, and shall remain in effect until otherwise rescinded, modified, or amended by the Board pursuant to the governing documents.

NOW, THEREFORE BE IT RESOLVED THAT, the following Policy on the collection and payment of assessments and other charges and fees owed by the Members pursuant to the *CC&R’s* is hereby adopted by the Board:

Due Date for Assessment – Assessments are billed annually and are due in full on the 1st of January each year (“*Due Date*”).

Delinquency Date for Assessment – Any assessment not paid by 5:00 p.m., on the last day of the aforementioned month in the “*Due Date for Assessment*” shall be delinquent (“*Delinquency Date*”).

Late Charges, Handling Fees, and Interest – Any assessment, fine, or charge not paid by the Delinquency Date shall result in the imposition of a late charge. In addition to an administrative charge (if applicable), a late charge of not less than \$25.00 may be imposed each month in which an account reflects an unpaid assessment balance until paid in full. The late interest charge shall be in the amount of eighteen percent (18%) per annum or as stated in the *CC&R’s* of the Association and any amendment thereto.

¹ The term “assessments” may include, as authorized by the *CC&R’s*, special assessments, specific assessments, individual assessments, initiation assessments, yard assessments, capital improvement assessments, and other sums assessed against any Lot. The Board may establish alternate payment schedules for certain assessments.

² The terms “Members” and “Owners” are used interchangeably in this Policy.

Returned Check Fees – A fee of not less than \$25.00 may be levied by the Association for any check returned to the Association marked “not sufficient funds” or the equivalent. Such amount shall be in addition to any charges made by the bank due to the dishonored check. Notwithstanding this provision, the Association may elect to pursue additional remedies at any time in accordance with applicable law. In addition, if two (2) or more of a Member’s checks are returned unpaid by the bank within any 12-month period, the Association may require that all of the Member’s future payments, for a period of one (1) year, be made by certified check or money order.

Lock Boxes – The Association may establish a lock box for receipt of all payments from Owners. PAYMENTS MADE TO A LOCK BOX ARE DEPOSITED IN THE ASSOCIATION’S BANK ACCOUNT WITHOUT REGARD TO COMMUNICATIONS OR OTHER NOTICES ENCLOSED WITH OR STATED ON THE PAYMENT. ANY NOTICE OR COMMUNICATION (INCLUDING, WITHOUT LIMITATION, A DISPUTE OF THE DEBT) ENCLOSED WITH OR STATED ON THE PAYMENT TO THE LOCKBOX WILL BE INEFFECTIVE AND NOT BINDING ON THE ASSOCIATION. ANY DISPUTE OF AN ASSESSMENT OR RELATED CHARGE, ANY PROPOSED TENDER OF AN AMOUNT OF LESS THAN PAYMENT OF THE ENTIRE AMOUNT CLAIMED TO BE DUE BY THE ASSOCIATION INTENDED TO SATISFY THE OWNER’S DEBT IN FULL, OR ANY CHANGE IN THE IDENTITY, STATUS OR ADDRESS OF AN OWNER, TO BE VALID, MUST BE IN WRITING, AND SENT TO THE ASSOCIATION’S MANAGING AGENT AT THE ADDRESS SET FORTH IN THE MOST RECENTLY FILED MANAGEMENT CERTIFICATE. THE ACT OF CASHING A CHECK RECEIVED FROM AN OWNER BY THE ASSOCIATION DOES NOT CONSTITUTE AN ACCEPTANCE OF THAT AMOUNT AS PAID IN FULL, WHETHER OR NOT THE OWNER HAS NOTATED THAT SUCH AMOUNT MAKES THE ACCOUNT “PAID IN FULL”. THE ASSOCIATION RESERVES THE RIGHT TO ACCEPT PARTIAL PAYMENTS AND WILL NOTIFY THE OWNER OF ANY ADDITIONAL AMOUNTS OWED ALONG WITH A DUE DATE FOR THE REMAINDER OF THAT BALANCE.

Ownership Records – All collection notices and communications will be directed to those persons shown by the records of the Association as being the Owner or a Lot for which assessments are due and will be sent to the most recent address of such Owner solely as reflected by the records of the Association. Any notice or communication directed to a person at an address, in both cases reflected by the records of the Association as being the Owner and address for a given Lot, will be valid and effective for all purposes pursuant to the CC&R’s and this Policy until such time as there is actual receipt by the Association of written notification from the Owner of any change in the identity or status of such Owner or its address or both. It is the responsibility of the Owner to update the Association with regards to any address, telephone number, or e-mail address changes.

Notification of Owner’s Representative – Where the interests of an Owner in a Lot have been handled by a representative or agent of such Owner or where an Owner has otherwise acted so as to put the Association on notice that its interests in a Lot have been and are being handled by a representative or agent, any notice or communication from the Association pursuant to this Policy will be deemed full and effective for all purposes if given to such representative or agent.

MAILINGS AND ACTION STEPS

The Association shall take the following actions to collect any assessment, fine, or charge not paid by the Delinquency Date, unless otherwise directed by the Board. Collectively, these actions shall be referred to herein as the “*Collection Steps*”:

Reminder Statement of Account – A “Reminder Statement of Account” or notice of delinquency will be mailed after any assessment becomes delinquent. The Reminder Statement of Account must be provided by first class mail to the Owner’s last known mailing address or by email, if an email was provided.

Association Demand Letter – An Association Demand Letter will be mailed no earlier than 30 days after Reminder Statement of Account is mailed. The Association Demand Letter shall: (i) be sent via Certified Mail and First-Class U.S. Mail; (ii) specify each delinquent amount and the total amount of the payment required to make the account current; (iii) provide a period of at least 45 days to bring the account current; and (iv) provide information relative to the availability of a payment plan.

Attorney Demand Letter – If no payment is received, an Attorney Demand Letter will be mailed no earlier than 30 days after the Association Demand Letter is sent.

Notice of Assessment Lien or Unpaid Lien – If no payment is further received, a Second Attorney Demand Letter will be mailed and a Notice of Assessment Lien or similarly titled instrument will be filed with the office of the county clerk, no earlier than 30 days after the initial Attorney Demand Letter is sent.

The Notice of Lien may not be filed until at least 90 days after the date of the Association Demand Letter is sent to the Owner.

Inferior Lien Notice of Default and Opportunity to Cure.

If there is subordinate Deed of Trust lien on the property of the Owner, then counsel will also:

- (a) provide written notice of the total amount of the delinquency giving rise to the foreclosure to any other holder of a lien of record on the property whose lien is inferior or subordinate to the Association’s lien and is evidenced by a deed of trust; and
- (b) provide the recipient of the notice an opportunity to cure the delinquency before the 61st day after the date the recipient receives the notice.

Foreclosure Proceedings – Foreclosure proceedings will be initiated as approved by the Board. In the event the Member fails to cure the delinquency, the Board may direct legal counsel to pursue foreclosure of the lien. In any foreclosure proceedings, the Member shall be required to pay the costs and expenses of such proceedings, including reasonable attorney’s fees

Expedited Foreclosure Pursuant to Rules 735 & 736 of the Texas Rules of Civil Procedure. The Board may decide to foreclose its lien by exercising its power of sale granted by the CC&R's. In such event, counsel may commence expedited foreclosure lawsuit under Rules 735 and 736 of the Texas Rules of Civil Procedure.

Judicial Foreclosure. The Association may file suit for judicial foreclosure of the assessment lien, which suit may also seek a personal money judgment.

Lawsuit for Money Judgment – The Association may file suit for a money judgment in any court of competent jurisdiction.

Bankruptcy – Upon notification of a petition in bankruptcy, the Association may refer the account to legal counsel.

Remedies Not Exclusive – All rights and remedies provided in this Policy are cumulative and not exclusive of any other rights or remedies that may be available to the Association, whether provided by law, equity, the Association's governing documents or otherwise.

Ownership Records – All collection notices and communications will be directed to those persons shown by the records of the Association as being the Owner of a Lot for which assessments are due and will be sent to the most recent address of such Owner solely as reflected by the records of the Association. Any notice or communication directed to a person at an address, in both cases reflected by the records of the Association as being the Owner and address for a given Lot, will be valid and effective for all purposes until such time as there is actual receipt by the Association of written notification of any change in the identity or status of such Owner or its address or both. It is the responsibility of the Owner to update the Association with regards to any address, telephone number, or e-mail address changes.

Delegation of Collection Procedures – From time to time, the Association may delegate some or all of the collection procedures, as the Board in its sole discretion deems appropriate, to Management, an attorney, or a debt collector.

SUSPENSION OF PRIVILEGES

If applicable, the Association Demand Letter shall inform the Member that if the delinquency is not cured or the Member fails to deliver a timely written request for a hearing with the Board to discuss and verify facts and attempt to resolve the matter, the Association may suspend the Member's common area/amenity use privileges. The Board may suspend the Member's right to use the recreational facilities within the common areas and/or suspend any other services provided by the Association. This includes, but is not limited to, the Member's right to use, as applicable, the community swimming pool, the amenity/community center, and pavilion area as well as the Member's right to participate in Association-sponsored events.

PAYMENT APPLICATION POLICY

Except as otherwise provided for and authorized by law, any payment received by the Association from a Member whose account reflects an unpaid balance shall be applied to the outstanding balance in the following order:

1. Any delinquent Assessment;
2. Any current Assessment;
3. Cost of collection, including attorney's fees and any other charges that could serve as the basis for foreclosure;
4. Any attorney's fees which were not incurred to collect assessments;
5. Violations fines; and
6. Any other amount owed the Association.

PAYMENT PLANS

It is the intention of the Association to work with Members who have a legitimate reason and/or hardship interfering with their ability to satisfy their obligation to pay assessments to the Association, without penalizing those Members who make their payments on time. Therefore, in an effort to assist these Members in the payment of their assessments to the Association, a Member shall have the right to enter into a Payment Plan Agreement:

1. Assessments that become due during the term of the Payment Plan Agreement must also be included and be paid as part of the payment plan.
2. The Payment Plan Agreement must include the total debt to the Association including late fees, interest, fines, collection costs, and the costs incurred by the Association to prepare the Payment Plan Agreement. Additional costs associated with administering the Payment Plan Agreement and interest on the unpaid balance on the Member's account will be added to the Member's accrue during the term of the Payment Plan Agreement. During the term of the Payment Plan Agreement, late charges shall accrue but shall be suspended and not added to the Member's account.
3. There shall be no waiver of any charges on the Member's account.
4. To be eligible for the payment plan, the Member must not have defaulted on a prior Payment Plan Agreement within the two (2) year period preceding the request for a payment plan.
5. The Payment Plan Agreement must contain a schedule setting forth the date each payment is required to be made under the Payment Plan Agreement ("*Schedule Due Date*"), as well as the amount of each payment, and all payments must be received on or before the Scheduled Due Date.
6. The minimum payment schedule term is three (3) months, and the maximum payment schedule term is eighteen (18) months with equal payments.
7. Any Payment Plan Agreement approved *after* the foreclosure sale proceedings have been commenced may include delivery of a percentage, as determined by the Association, of the outstanding balance payable in certified funds.
8. All violations, per the CC&R's, must be resolved by the Member must be corrected per the Association prior to engaging in a payment plan.

Should the Member default or otherwise violate their Payment Plan Agreement:

1. The Association's Collection Steps shall be reinstated at the point of interruption when the Payment Plan Agreement was entered into by both parties.
2. All suspended and accrued late fees shall be reinstated to the Member's account.
3. The Member's unpaid balance shall become immediately due and payable.

Any payments received after the breach of an approved Payment Plan Agreement shall be applied as set forth in the CC&R's.

FEE WAIVER REQUEST

It is the intention of the Board to work with Members who have a legitimate reason for making a late payment, but not to the detriment of Members who make their payments on time. The Board recognizes that extenuating circumstances may prevent a Member from paying assessments before they become delinquent. Therefore, the Board may grant a waiver to the payment or portion of the fees owed due to delinquent assessments (*i.e.*, late fees or charges, collection fees not owed to the managing agent, or interest charges) owed by a Member subject to the following limitations:

1. Requests for waivers shall not be granted for any assessment, out of pocket collection costs to the Association, *i.e.*, demand letters, attorney fees, other collection expense, etc.
2. Requests for waivers shall not be granted to any Member who has previously received such a waiver within the past 24 months.
3. Requests for waivers shall not be granted to any Member who has defaulted on a previously approved Payment Plan Agreement.
4. All approved waivers will be subject to the Member's unpaid balance being received within five (5) business days of the date the waiver approval was communicated to the Member. If a Member is unable to pay the unpaid balance within this time-period, the waiver will be denied but the Member will be allowed the opportunity to request a payment plan, if eligible under the terms of this Policy.
5. Late fees or other waived charges shall not be removed from the Members account until the Member's final payment has been received and cleared.

PARTIAL OR CONDITIONED PAYMENT

The Association may refuse to accept partial payments (*i.e.*, less than the full amount due and payable) and payments to which the payor attaches conditions or directions contrary to the Board's policy for applying payments. The Association's endorsement and deposit of a payment does not constitute acceptance. Instead, acceptance by the Association occurs when the Association posts the payment to the Owner's account. If the Association does not accept the payment at that time, it will promptly return or refund the payment to the payer. A payment that is not returned or refunded to the payer within thirty (30) days after being deposited by the Association may be deemed accepted as to payment, but not as to words of limitation or instruction accompanying the payment. The acceptance by the Association of partial payment of delinquent assessments does not waive the Association's right to pursue or continue pursuing its remedies for payment in full of all outstanding obligations.

DEFINITIONS

Capitalized terms used but not defined in this Policy shall have the meaning subscribed to such terms in the CC&R's.

CONFLICT

Notwithstanding the foregoing, no term or provision contained herein shall amend the CC&R's. In the case of any conflict between this Policy and the CC&R's, the CC&R's shall control.

INDEPENDENT JUDGMENT

Notwithstanding the contents of this details Policy, the officers, directors, managing agent or community manager, and attorney of the Association may exercise their independent, collective, and respective judgment in applying this Policy.

VERIFICATION OF INDEBTEDNESS AND COMPLIANCE WITH THE SOLDIERS' AND SAILORS' CIVIL RELIEF ACT

For so long as the collection of assessments may be subject to the requirements of the Fair Debt Collection Practices Act ("*FDCPA*"), all communications from Management and legal counsel will include such required notices as are prescribed by the FDCPA, the Soldiers and Sailors Relief Act ("*SCRA*"), and the Texas Property Code. Furthermore, where an Owner requests verification of the indebtedness, Management will, upon notification of the Owner's request, supply such verification before any further collection action is taken with respect to such Owner. The exercise of the collection rights of the Association regarding assessments will in all ways comply with the FDCPA, the SCRA, and the Texas Property Code, to the extent such acts may apply.

Severability and Legal Interpretation. In the event that any provision herein shall be determined by a court with jurisdiction to be invalid or unenforceable in any respect, such determination shall not affect the validity or enforceability of any other provision, and this Policy shall be enforced as if such provision did not exist. Furthermore, in the event that any provision of this Policy is deemed by a court with jurisdiction to be ambiguous or in contradiction with any law, this Policy and any such provision shall be interpreted in a manner that complies with an interpretation that is consistent with the law. In the event any provision of this Policy conflicts with the CC&R's, the CC&R's controls.

IT IS FURTHER RESOLVED this policy is executed to be effective as of the date herein noted below and that this Policy replaces and supersedes, in all respects, all prior policies and resolutions addressing the collection of assessments by the Association, payment plans, fee waiver requests filed by the Association or its predecessor-in-interest and shall remain in full force and effect until revoked, modified or amended.

Where Management is authorized by the Board to initiate any action by qualified contractors or service providers, the following shall apply:

a. The Association, through Management, must first provide the Owner with an Initial Notice as provided above which shall be posted to the front door of the residence and shall provide at least three (3) days' notice except in the case of emergencies or matters determined to be a threat to the health, safety and welfare of persons and property. c. Any cost incurred in correcting or eliminating a Violation shall be charged to the Owner's account.

d. The Association, the Board, and its agents, contractors or service providers shall not be liable to the Owner or any third party for any damages or costs alleged to arise by virtue of action taken under this Paragraph 5 where the Association, the Board, its agents, contractors, or service providers have acted reasonably and in conformity with this Enforcement Policy.

e. The Association, the Board, and its agents, contractors and service providers shall not be liable to the Owner or any third party for trespassing alleged to arise by virtue of action taken under this Paragraph 4 where the Association, the Board, its agents, contractors and service providers have acted reasonably and in conformity with this Enforcement Policy.

6. **Referral to Legal Counsel.** Where a Violation is determined to exist by the Board pursuant to any of the provisions of this Enforcement Policy and where the Board deems it to be in the best interests of the Association, the Board may, at any time and without prior notice to the Owner under the Enforcement Policy, refer the Violation to legal counsel for purposes of seeking to correct or otherwise abate the Violation, including an action for injunctive relief and/or civil damages against the Owner, or any other legal or equitable remedy that may be available to the Association.

7. **Notices.**

a. Any notice required by this Enforcement Policy to be given, sent, delivered, or received in writing will be deemed to have been given, sent, delivered, or received, as the case may be, upon the earlier to occur of the following:

(i) When the notice is delivered by electronic mail, the notice is deemed delivered and received when the sender "sends" the electronic mail and receives a confirmation or report acknowledging the time and date it was delivered. It is an Owner's duty and responsibility to keep an updated electronic mail address registered with the Association.

(ii) The Notice of Corrective Action shall be sent to the Owner by posting such Notice of Corrective Action on the door of the residence and, if the Association deems it necessary, by electronic communication.

b. Where the Lot is occupied by a tenant or where the interests of an Owner have been handled by a representative or agent of such Owner, any notice or communication from the Association or Management pursuant to this Enforcement Policy will be deemed full and effective for all purposes if given to the Owner at the address on record with the Association. The Association may, as a courtesy, also provide notice to the

tenant or a representative known to have the right or official capacity to receive such notices on behalf of the Owner.

8. Cure of Violation During Enforcement. An Owner may correct or eliminate a Violation at any time during the pendency of any procedure prescribed by this Enforcement Policy. Upon verification by the Association that the Violation has been corrected or eliminated, and any fines imposed by the Board has been paid, the Violation will be deemed to no longer exist, and the Notice of Violation shall be voided or closed except as hereinafter provided. Owners are herein advised by the Association of the consequences of the future Violation of the same provision of the Governing Documents as set forth in the following paragraph. The Owner will remain liable for all fines levied under this Enforcement Policy, which fines, if not paid upon written demand thereof by the Association, may be referred to the Association's legal counsel for collection. The Board, however, in its sole and absolute discretion, reserves the right to suspend or waive some or all of the fines imposed. The suspension or waiver of fines shall not constitute a waiver of the right to sanction Violations of the same or other provisions and rules by any person.

9. Repeated Violation of the Same Provision of the Governing Documents. Whenever an Owner, who has previously cured or eliminated a Violation after receipt of an Initial/Courtesy Notice, commits a separate Violation of a similar provision of the Governing Documents within six (6) months from the date of the Notice of Violation, the Association shall reinstate the Violation, including the fines previously imposed related to such Violation that were waived by the Board, and pursue the procedures set forth herein as if the Violation had never been cured or eliminated. For purposes of illustration only, in the event the Owner cured the Violation after having received an Initial/Courtesy Notice, the second Violation of the same provision shall prompt the Association to send a Notice of Violation. Similarly, in the event the Owner cured the Violation after having received a Notice of Violation, the second Violation shall prompt the Association to send a Notice of Fine as provided hereunder. In the event an Owner cured the Violation after having received a Notice of Fine, the second Violation shall prompt the Association to commence the levying of violation fines without further notice to the Owner. In the event of a repeated Violation, the Board shall be authorized to double the fine amount.

10. Payment of Violation Fines. Payment of the violation fine amount does not imply or constitute a waiver of enforcement or the granting of a variance for the Violation. All Violations must be corrected and brought into compliance with the Governing Documents. If there is a subsequent Violation of a similar rule, the fine amount will be imposed pursuant to the Fine Structure provision. Failure to pay fines may result in a lien on the Owner's Property. The Owner shall be responsible for any fines and enforcement costs assessed on the Property. If applicable, it is the Owner's responsibility to pursue reimbursement of the fines from the tenant(s).

11. Authority of Management to Act. The Board hereby authorizes and empowers Management to do all such things and perform all such acts as are necessary to implement and effectuate the purposes of the Enforcement Policy and compliance with Texas Property Code Section 209.0051(h), including the levying of violation fines, without further action by the Board.

WHEREAS, this policy may be amended at any time and from time to time by the Declarant during the Declarant Control Period and thereafter by the Board of Directors by Resolution as a stand-alone policy to comport with industry standards, to amend or revise provisions of the policy as may be deemed necessary and in the best interest of the Association; and

NOW, THEREFORE, IT IS RESOLVED that as of the 13th day of August 2024, the following guidelines are established by the Board:

COMMUNITY WIDE STANDARDS: DEFINITION AND ENFORCEMENT

These are the standards of maintenance that generally prevail throughout the community of Collin Creek Redevelopment Residential Community which may or may not be in writing. Each Owner shall maintain his or her property and all landscaping and improvements in a manner consistent with the Governing Documents and all Rules and Regulations. Responsibility for maintenance shall include, but is not limited to, maintenance and upkeep, repair and/or replacement as necessary to maintain the property in good repair and architecturally always pleasing.

The Community Wide Standards are enforced by the following procedures:

“Community-Wide Standard” shall mean the standard of conduct, maintenance and appearance of residences and lots, common areas and elements, including landscaping, generally prevailing throughout the Property, or the minimum standards established pursuant to the Design Guidelines, Rules, Regulations and Board resolutions, whichever is the highest standard. Declarant initially shall establish such standards which may be amended by Declarant during the Development Period and the Board, Architectural Review Committee as well as any assigned Managing Agent shall be the authorized parties delegated by the Declarant to carry out the standards adopted.

The Association, through its Board, shall ensure that the Community-Wide Standard established by the Declarant or through any Rule or Regulation, whether in writing or not, shall continue after the termination or expiration of the Development Period.

The Community-Wide Standard may contain objective elements, such as specific lawn or house maintenance requirements, color selections, placement allowances, yard art, vehicle storage and parking, trash and recycle container placement, and other subjective elements subject to the Declarant's and thereafter, the Board's discretion. The Declarant and the Board shall have the right to determine objective elements on a case-by-case basis whenever they deem it to be in the best interest of the community and its residents.

The Community-Wide Standard may or may not be in writing and will likely evolve as development progresses and as the Property changes. The Community-Wide Standard shall not fall below the level established for the Property as of the date the Development Period expires. *The Community-wide standard is enforceable, whether in writing or not, the same as any other restriction, rule, or regulation within the Governing Documents, or which is adopted or otherwise amended at any time and from time to time. Any violation of a Community-Wide Standard shall be enforced the same as a violation based on any written rule or restriction and shall carry the same enforcement rights and measures as any other violation.*

Other facts to consider. The below does not constitute all rules or requirements :

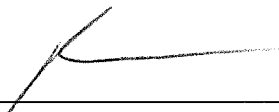

- Owners / occupants will be noticed of a violation and the Owner / occupant shall have a set number of days in which the violation should be cured. Be advised that certain violations may have different notice requirements and carry greater fines than other violations based on the nature, severity, or reoccurring nature of the violation. For example, non-curable or incurable violations or actions and/or violations by an Owner or any occupant that threatens the health, safety, and/or welfare of any resident, property, person, place, or thing.
- **The Association is within its rights to accept written statements or affidavits from Owners or any resident or occupant who eye witnesses a violation occurring without photo proof required. Additionally, the Association may accept video feeds from ring door bells, security cameras, or other types of video or media sources.**
- If the problem is not corrected within the set number of days indicated in the notice, the Association shall have the right to move to Self-Help actions and may hire a contractor or designate any vendor or person capable of abating the violation, and the Owner will be billed for all cost associated with the abatement. Additionally, fines up to \$1,000.00 per violation occurrence may be levied depending upon the severity or reoccurring nature of the violation.
- Any violations not corrected by an Owner, or any occupant may face additional daily or weekly fines and/or Self-Help actions. At the Board's sole discretion, suit for non-compliance with the Governing Documents and rules of the Association may also be filed.

- An Owner may request an extension from time to time and the Board or its assigned delegates may authorize one (1) extension which shall not exceed thirty (30) days without the express written consent of the Board. Notwithstanding, an exclusion to this rule shall be the replacement of trees or other landscape which must be planted during optimal growing seasons.

IT IS FURTHER RESOLVED, this adopted policy is executed to be effective as of the date herein noted above and that this Policy supersedes in all respects any prior policy and resolution with respect to the Community-Wide Standard Policy filed by the Association or its predecessor-in-interest and shall remain in full force and effect until revoked, modified or amended.
